

**Double Sessions . . .**  
(Continued From Page 1)

Hull, superintendent of schools, stated that the only type of additional tax now feasible is an override tax. However, money obtained from such a source is usually used for operative costs rather than construction purposes, Hull pointed out.

Members of the Fathers' club have also suggested that the 5 per cent debt ceiling on bonds be changed so that more bond money could be made available. They also indicated that in one State in the East subdividers must pay \$200 to the school district for every new home which they build. Torrance should do likewise, members of the Fathers' club suggested.

**CAFE BURGLARIZED**  
A total of \$500 in currency and \$150 in liquor was reported stolen from the Circle Inn Cafe, 2011 Pacific Coast Highway, Lomita, sometime Sunday morning, according to Lennox sheriffs.

**State Level Decisions**  
In commenting on these recommendations Dr. Hull said that these provisions must be handled on a State level rather than on a local level in order to be effective.

Thursday night's P-TA meeting was characterized by a number of tense charges and counter-charges, the first of these occurring when Freedman called for a point of order, indicating that a business meeting must precede the program for the evening. He was overruled on this by P-TA president Mrs. Geneva Dohner whereupon Freedman walked out exclaiming that he "refused to stay in an undemocratic hall."

Dissatisfaction with parliamentary proceedings at Perry P-TA also resulted in the resignation of the treasurer, C. B. Weaver, and librarian Mrs. Gordon Lee.

Action on a resolution endorsing the stand of Governor Goodwin Knight and Mrs. Rollin Brown of Los Angeles, president of the National Congress of P-TA, to end half-day sessions is expected at the next Perry P-TA meeting.

The resolution was submitted by Freedman.

In commenting on the campaign to end double sessions Freedman said:

"If we are too disinterested now to solve this problem we will soon be faced with a situation when the schools become so crowded that everyone must go on double sessions. Circumstances are against the schools . . . we'll suffer from this disease until adequate financial steps are taken."

**SIDEWALKS . . .**  
(Continued From Page 1)

El Camino's Cross Country squad will meet the Santa Monica City College team Friday after losing by forfeit to East Los Angeles last week.

This marked the second straight meet the Warriors have forfeited because of lack of runners. Last week they were defeated by the L. A. Valley Monarchs for the same reason. Only four performers have been present at these two meets while a minimum of five is required.

Winner of last week's meet over the rugged East Los Angeles course was Lopez of ELA in the time of 17:55.7. Jerry Sanger and Sherman Solaas of the Warriors finished third and fourth, respectively.

ELA captured second, fifth, sixth, and eighth besides having their man across the finish line first. The Warriors also had a seventh and ninth place. All was merely for practice though, since the meet was decided by forfeit before it began.

Jerry Sanger and Sherman Solaas are the mainstays of the Warrior squad and have been consistently among the first finishers this year. Solaas holds the El Camino cross country school record.

Unless additional runners turn out for the cross country squad, the season is likely to be cut short, Coach Amby Schindler has indicated. In the meantime, the team is attempting to gain new participants to supplement the numerically short team.
